ATTENDEE HOUSING PROCEDURES

Because of the limitations of specialized accommodations, this year you will make your room reservation via the following Housing Form.

1. Carefully read the room descriptions.
2. Choose 2 room options, in order of preference.
3. Fax completed form; reservation cannot be accepted without credit card number.
4. Final room assignment will be sent via email.
5. Hotel will run the credit card charges upon assignment.

New reservations, changes, and cancellations cannot be made directly with the hotels until after the cut-off date of Friday, May 22, 2009.

Room reservation requests will be processed on a first-come, first served basis.

Make sure you include your room choices in order of preference. If your first room choice is sold out, you will be given your second choice. Should all rooms at both hotels be sold out, you will be placed in the Orchards hotel—our overflow property. The Orchards is located at the top of the hill and looks down on Oak Creek. It is conveniently located within walking distance of the conference site.

For budgeting purposes, please remember to include the resort fees as listed in the room description section of the web site <http://www.cefpi.org/housing.html>
